

## Exhibitor Information

Please join us for the 13<sup>th</sup> annual [VTMUG](#) (Vermont Mid-Range User Group) Technical Conference to be held on Thursday, September 21st, 2017 **at the DoubleTree in South Burlington, Vermont**. The Doubletree has proven to be an excellent venue with large rooms that nicely facilitates networking, dining and vendors booths. We've found this open format promotes more vendor interaction. This year we're expecting 50-65 IBMi professionals. Space is limited to six vendors so don't delay.

We hope you can participate with a vendor booth at this year's event!

This year we're adding the opportunity for a vendor session. Vendor sessions are available on a first come first served basis. The session will be held in the 15 person board room and the cost is \$500.

### QUICK FACTS
